ULTCS Advisory Workgroup Subcommittee Participation
(updated 7/14/2011)

NH Capacity Subcommittee

HB 153, Section 209.50… *"shall study the current and future capacity of nursing facilities in this state, the configuration of that capacity, and strategies for addressing nursing facility capacity, including the ability of nursing facility operators to determine the number of beds to certify for participation in the Medicaid program. The subcommittee shall complete a report of the part of the study regarding the ability of nursing facility operators to determine the number of beds to certify for participation in the Medicaid program not later than September 1, 2011."*
