I was a member of the 501st Army Air Force Band (drummer) in 1945-47, stationed at Wheeler Air Force Base in the Hawaiian Islands, also Hickham Field. We entertained veterans who were returning from wars in South Pacific during World War II. We also entertained veterans at Tripler Hospital in Honolulu and other various officers clubs and N.C.O. clubs. The veterans who were in hospitals around the island really enjoyed our entertainment.
