

ULTCS Service Array Subcommittee

August 2, 2010

Lazarus Building, 50 W. Town Street

4th Floor – Room A401

Review Draft Budget Recommendations & Gap Analysis Grid

All

The subcommittee met to review and discuss recommendations to improve or expand service delivery to long term care consumers including but not limited to:

- Transportation;
- Service coordination and self direction (cash & counseling);
- Telehealth;
- A toolkit for hospital discharge planner; and
- Services to consumers with severe and persistent mental illness.

In addition to these recommendations the subcommittee also discussed:

Permanent supporting housing for consumers with mental illness;

Ohio's building code and visitability;

RSS; and

Liability protection for volunteers transporting consumers;

In future meetings, the subcommittee will continue to review and revise the draft recommendations for consideration by the full Unified Long Term Care Systems workgroup.

Scheduling Future Meetings and Proposed Agenda Items

All

The subcommittee agreed to schedule one additional meeting in August to review and discuss the draft recommendations.
