

The “Aging. It’s Everybody’s Business.” Pledge

- **I pledge** to remember that growing older is something that we all do, and that’s a good thing;
- **I pledge** to tell my friends that elders are good people who do good things every day;
- **I pledge** to make choices that help me be healthy as I grow up;
- **I pledge** to say “boo!” when I hear someone say something bad about elders;
- **I pledge to make aging *my* business** ask my family and friends to make aging *their* business, too!
