Professional Services Participation Agreement

We invite you to become part of the Golden Buckeye Program – just complete the following form to enroll.

The Golden Buckeye Program began in 1976 and provides cardholders with savings from participating local businesses. Today, nearly 20,000 Ohio businesses voluntarily offer savings to 2 million Golden Buckeye cardholders on products and services. New cards issued in 2003 will increase visibility of the program and will drive cardholders to businesses that honor it.

The program is flexible - you determine the savings amount. A typical amount is 10% off regular price. Some offer savings on specific items. Others make savings available only on certain days to build business on otherwise slow days. It is up to you how best to use the Program as a merchandising tool. There is absolutely no cost to you to take advantage of this valuable marketing tool to reach Ohio's seniors and eligible cardholders. All participating businesses are listed on our website at www.GoldenBuckeye.com.
