

**Consumer/Authorized Representative
Employee Continuing Education Verification**

Each year, a consumer-directed provider shall successfully complete at least eight hours of continuing education before his or her anniversary date of enrollment as an ODA-certified consumer-directed provider. The training topics may include, but are not limited to, the following: consumer health and welfare, first aid, cardiopulmonary resuscitation, patient rights, falls prevention, emergency preparedness, communication skills, aging sensitivity, nutrition, transfer techniques, disease specific training, and mental health topics.

Training topics completed:
