PURPOSE

The purpose of this policy is to provide sub-grantees with guidance and procedure relating to the individual maximum enrollment duration for participation in the Senior Community Service Employment Program (SCSEP) as established by the U.S. Department of Labor.

POLICY

ODA did not seek and/or receive a waiver of the maximum enrollment duration for participation in the ODA administered SCSEP project; therefore no participant can participate in the ODA administered SCSEP project for more than 48 months.

The Ohio Department of Aging (ODA) and its sub-grantees will ensure that the 48 month individual time limit for participation in SCSEP in the aggregate (whether or not consecutive) is complied with and that the ODA administered SCSEP project is managed in a way that ODA and its sub-grantees does not exceed an average participation cap for all participants of 27 months (in the aggregate).

Authorized breaks in participation, if taken under a formal sub-grantee policy allowing such breaks and formally entered into the SCSEP Performance and Results Quarterly Performance Reporting (SPARQ) system, will not count toward the individual time limit.
