

**Ohio Board of Regents**  
**Economic Advancement Division**  
**Adult Learner Strategy 2012**

**GOALS**

- ✓ Increase the number of adults earning credentials/degrees
- ✓ Increase the number of adults successfully transitioning through the University System of Ohio (the System) earning credentials/degrees

**STRATEGIC PRIORITIES**

- ✓ Support Student Success
- ✓ Providers are responsive to business/industry needs, credentials should meet workforce demands
- ✓ All System credentials have value
- ✓ Results must be measurable and data-driven
- ✓ Each provider sector has value (ABLE, AWE, two and four-year colleges and regional branch campuses)
- ✓ Each provider sector is successful in meeting its core mission
- ✓ Align existing strategies, fiscal resources and programs to leverage and scale statewide policy development and improvement
- ✓ Relationships are in place and need to be recognized and expanded

**STRATEGIES**

- ✓ Build bridges for seamless transitions
- ✓ Strengthen the credit pipeline
- ✓ Foster shared accountability
