

Residential State Supplement (RSS)

What is the Residential State Supplement (RSS)?

- RSS is a cash supplement to low-income adults with disabilities who do not require nursing home care.
- Participants use the supplement along with their income to pay for approved living arrangements.

Who is eligible for the Residential State Supplement?

Eligible participants must:

- Are age 18 or older;
- Currently live in an Adult Family Home, Adult Foster Home or Adult Residential Mental Health Facility; and
- Meet financial eligibility (see below).

In addition, participants must require:

- Residential placement and support services, but not 24-hour care;
- A protective level of care; and
- Fewer than 120 days of skilled nursing care.

What are the financial eligibility criteria for RSS?

- Most eligible consumers may not have a monthly income greater than \$800.
 - Consumers living in Community Adult Mental Health Housing may not have a monthly income greater than \$600.
 - Consumers living in a Residential Care Facility or an adult group home may not have a monthly income greater than \$900.
- Consumer may not have more than \$1,500 in assets (regardless of type of residence).

What services are provided in the Residential State Supplement program?

- Participants receive a monthly cash supplement to assist with the costs of room and board and services available at a licensed or certified home (including housekeeping, laundry, transportation, and security).

Continued...

- Participants receive a Medicaid card that entitles them to Medicaid benefits including: physician care, hospitalization, prescription drugs and many other services.
- Case managers help participants develop a care plan and will monitor and adjust the plan according to the needs of the participant.

Where do RSS consumers live?

- Certified Adult Foster Homes;
- Certified Community Mental Health Housing;
- Licensed Mental Health Residential Facilities;
- Licensed Adult Family Homes;
- Licensed Adult Group Homes; and
- Licensed Residential Care Facilities.

How do I apply for the Residential State Supplement?

- Call toll-free **1-866-243-5678** to contact the Area Agency on Aging serving your community for details on how to apply.
- Interested individuals must complete an application, telephone screen and in-person assessment.
- Then, your County Department of Job and Family Services will determine financial eligibility.
- A case manager will develop a residential service plan and the prospective consumer will tour approved community housing.
- After meeting all eligibility requirements and finding approved housing, the consumer begins to receive the supplement.

Where can I learn more about the Residential State Supplement?

- Visit the following Ohio Department of Aging Web page for more information about RSS.
